Additional Lyrics

2. I see a line of cars and they're all painted black,
With flowers and my love, both never to come back.
I see people turn their heads and quickly look away.
Like a newborn baby, it just happens ev'ry day.
3. I look inside myself and see my heart is black.
I see my red door; I must have it painted black.
Maybe then I'll fade away and not have to face the facts.
It's not easy facing up when your whole world is black.
4. No more will my green sea go turn a deeper blue.
I could not foresee this thing happening to you.
If I look hard enough into the setting sun,
My love will laugh with me before the morning comes.
