PERFORMANCE NOTES

This arrangement of “White Christmas” may be performed with piano only or is compatible with the FLEX-BAND arrangement by Michael Sweeney (HL#04002497). The purpose is to provide a finale that ALL students and their parents will stay to the end of the concert for. It’s a great way to make sure that students and parents are not leaving mid-way through your performance and provides a “feel good” conclusion for all. The vocal parts are easy but feel free to just sing the melody if preparation time is short. You may even want to have the audience join for a sing-along! The FLEX-BAND parts are intermediate level and can be performed with minimal numbers of players.

Enjoy this easy and timeless selection.
